

Liquor Security Cabinet Gondola Lock-Up System

The Madix Liquor Security Cabinet Lock-Up System is both beautiful and functional. Manufactured using heavy-steel tubing, this cabinet secures your valuable merchandise behind locked doors, reducing shrinkage or restricting access to liquor when local laws apply. Door-panel options include plexiglass, glass panes, and wire grid; standard Madix shelving and side panels (metal and wood) are also compatible. Add Vertical Beam Lights, LEDge Light, and/or Wire Truss PMF Front to shelves to create an effective and secure display for wine, beer, and liquor.

For use in...

- Pharmacy retail and high-end cosmetics
- Home goods (such cutlery, small appliances, and kitchen gadgets)
- Electronics

NOTE!
Doors include BEST/Delta compatible lock housing. Lock cores provided by customer and can be purchased from DeltaLock using part number XI CORE 7E BCUNCO, specify keyed alike or keyed different.

NOTE!
Standard Upper Shelves need to be nominal depth -2" and Straight-in Insertion Three Position needs to be nominal depth -3".
