

Maxi Grid

Madix's Maxi Grid is a versatile fixture concept that offers numerous shelving accessories. All Maxi Grid parts and accessories are designed for easy installation to effortlessly transform your store. This simple fixture creates clean lines that organize and draw attention to merchandise. Maxi Grid allows retailers the flexibility to routinely change shelving to fit merchandise and not waste valuable space. Revamp display capabilities of your store.

maxi grid

- Unique Grid Panels work as support for the system
- Maxi Grid offers numerous shelving accessories that hang within Grid Panels in 2" (51 mm) increments
- Simple and easy to install shelf applications include loose brackets that support melamine, laminate, or wire grid shelf options
- Maxi Grid backing has Slatwall and Grid Back options
- Backs can be mounted at the rear or front of wire fixture panels
- Create a unique in-store experience with this versatile fixture that can be adapted to meet most merchandising needs

Ultra Aisle and Wall Fixture

Madix's new Ultra Aisle and Wall Fixture brings attention to merchandise that needs to be uniquely displayed. This new fixture offering from Madix utilizes a custom look frame which allows use of lighted shelves as well as metal and combination of wood and metal shelves. Shelf positions can easily be changed and are adjustable vertically in 1" (25 mm) increments. Ultra also has the ability to create individual merchandising "vignettes" to spotlight brands. Separation between each section can occur using acrylic or metal panels or without panels using an outrigger post.

Great to highlight and promote merchandise in these categories

- Cosmetics
- Gift
- Dinnerware
- Glassware
- Small Appliance
- Flatware
- Cookware
